Contact DSA today and discover the many ways we can help you protect and grow your business!

## **“BUSINESS AND FINANCIAL SERVICES FOR INDEPENDENT DISTRIBUTORS”**

DSA provides business and financial services to independent distributors nationwide.

We have over 30 years of experience serving distributors across the country with a variety of custom programs designed to meet your specific needs.

DSA can provide you and your business with comprehensive accounting services, incorporation services, route down-payment financing, vehicle sales and leasing, vehicle and business insurance programs, health and disability insurance programs, as well as route relief programs featuring temporary labor for routes and merchandising support.

Contact DSA today and discover the many ways we can help you protect and grow your business

## **BUSINESS AND FINANCIAL SERVICES**

### **Tax & Accounting Services:**

Our distributor program will provide you with monthly financial statements, recordkeeping strategies, quarterly tax payment advice and preparation of your annual tax returns. We have greatly simplified your end of the recordkeeping process, creating a program that minimizes the time you need to spend on bookkeeping tasks while thoroughly protecting your business and hard earned dollars.

### **Incorporation Services:**

Discover the benefits of incorporating your business. Call DSA to find out how you can pay less money in taxes, while further protecting your personal assets (home, car, bank accounts). DSA's incorporation service can answer your questions, prepare your incorporation documents and file for you, making these valuable benefits easy to obtain.

### **Route Down-payment Financing\*:**

DSA's route down-payment loan program can ease the financial burden when purchasing a new distributorship. We have helped thousands of distributors acquire the down-payment they needed to purchase their business. This program requires manufacturer participation. Call DSA for a list of participating manufacturers.

**Vehicle Sales & Leasing:**

When it's time to buy or finance a new vehicle for your business, DSA can help with purchasing and leasing options.

**Vehicle and Business Insurance:**

DSA has partnered with Allstate Insurance Company, to bring you commercial insurance programs designed specifically for independent distributors.

**Health and Disability Insurance:**

Call us for current information about these important benefit programs.

**Route Relief Programs\* (Temporary labor for routes & merchandising support):**

DSA can help with route coverage during unexpected events or challenging business conditions. DSA's tailored Route Relief programs provide manufacturers and route owners with temporary labor quickly and efficiently to cover open routes, manage seasonal fluctuations and provide merchandising support. This program requires manufacturer participation.
